

Trek Part

Trek Part - TREK Cleaning Machines is a machine maker who is passionate about the cleaning industry. The company's founders, Jim Hartsock, Chris Knowlton and Bob O'Hara, have over sixty years combined experience with successfully developing, marketing, manufacturing, designing and offering customer support. The company's innovative flair is a reflection of the entrepreneurial style of the founders. They truly believe in delivering true value to their clients and are dedicated to giving top quality and new design concepts to be able to meet the diverse needs of their customers.

In their product development; TREK Cleaning Machines always provides fresh design ideas. They enjoy offering items that energize both their partners and their dealers and offer production gains to their customers.

The TREK team of workers likes new tasks and new challenges. They are very proud to launch its breakthrough technology found in their Torsion scrubber line. This line was motivated by the understanding of operators' needs and skills together with their comprehension of cleaning applications, together with owners' strong desire to significantly lessen expense through productivity gains.

The workers at TREK and their dealer-partners are strongly committed to having both technical support and parts obtainable when it is needed. Their high service dedication is among the core values in their customer service. Keeping their customers' cleaning machinery functioning and ready everyday is top priority. The company's top of the line technology delivers dependable machine which eventually lessens your cost of cleaning. The service, the product and the price all work together so as to make them the leader in the industry.
