

## **Forklift Electrical Parts**

Forklift Electrical Parts - Lift trucks as well as various forklifts can have specific labels utilized in some hazardous locations. The label denotes that this particular model of lift truck meets the minimum standards of ANSI/UL 553 intended for electric forklifts or ANSI/UL 558 for internal combustion engine lift trucks.

The application for labels for lift forklifts may be found in National Fire Protection Association NFPA 505 - Powered Industrial trucks including: Maintenance and Operation, Type Designations, and Areas of Use. Ask your local insurance provider and Fire Marshall for further info regarding the approved uses of industrial powered forklifts in your application.

If the lift truck has been found to meet the outlined criteria, the following labels may be attached. A labeled truck would have the type designation located on the lift truck nameplate and will have one of the following labels attached.
